Indian Psychiatric Society Combat Depression Task Force & IPS Karnataka Chapter
22nd & 23rd October 2018**

Dear Sir/ Ma'm/ Friends,

World Health Organization cautions that by 2030 Depression will be the leading cause of the global burden of diseases ahead of all health condition. It is estimated that 350 million people suffer from depression. 20-30 percent of patients of reporting to doctors for any health conditions are likely to have depression which increases the morbidity and mortality. Depression commonly associated with Diabetes, Hypertension & cardiac conditions and adversely affects outcome. Doctors who are trained in management of depression can immensely contribute to health care services.

We are happy to inform you that The Indian Psychiatric Society- “Combat Depression” Task Force is organizing Two Day National Conference on Combat Depression at JSSMC Mysuru on Oct 22-23 (Mon & Tuesday) 2018, it will focus on involvement of Doctors in combat depression. Hence the registration fee is just Rs 500/- including workshop. We have attached the announcement.
